WHEN: ENGIN 295.4: Tues 3-4pm; ENGIN 295.5: Tues 5-6pm;  
ENGIN 295.8: Wed 11am-12pm; ENGIN 295.9: Wed 1-2pm; ENGIN 295.10: Wed 2-3pm

### WHAT is this class?

Get frameworks and personalized coaching in order to connect to, motivate and inspire any audience with authentic communication and storytelling. This activity-based course will develop your skills in the following areas:

- **How you SHOW UP:** Explore and improve the verbal and non-verbal aspects of your leadership presence.
- **How you COMMUNICATE:** Support your data and technical content with inspiring stories and well-designed business focused presentations.
- **How you IMPROVE:** Deliver, receive & incorporate effective feedback to improve your own & others communication.

### Who takes this class?

Successful students in this section will be comfortable writing academic papers and experienced in academic and professional communication, who want to take their verbal communication and leadership to the next level. They have been required to write academic papers and give presentations in their past.

### Who teaches this class?

Thomas Fitzpatrick is a leadership development educator and executive coach. He has held positions in Operations, Business Development, Product Management, and Strategic Partnerships and he has led multicultural, globally-distributed teams. He has roots in education, having taught high school Latin and Ancient Greek prior to his business career.

**WHY take this class?** Show up with passion, intention and confidence for your company interviews, networking events & presentations. Build authentic & influential relationships in your class and at work.
